HIGHLIGHTED EXPERIENCE

U.S. Office of Special Counsel

Washington, DC
August 2014 – Present

Attorney

- Investigate financial mismanagement and regulatory violations in the aviation, defense, environmental, and healthcare industries. Report to Congress and the President.
- Interview employees and negotiate settlements and reforms with government agencies.
- Led new product development for an innovation pilot that created and operationalized novel legal and organizational strategies, resulting in an 81% increase in productivity.
- Identified the causes of declining employee engagement and persuaded an 18-member task force to recommend data-driven solutions that increased key metrics by 20% year over year.

Self-Employed

2002 – 2017

Entrepreneur and Website Developer

- Founded and managed six online businesses, including the once-largest Internet forum about hybrid-electric cars. Sold this website at age 19 for \$168,000.
- Exposed that hybrids burned 10% more fuel than advertised by car manufacturers, by collecting and analyzing a customer driving dataset, resulting in new regulations by the Environmental Protection Agency on calculating fuel economy estimates for all cars sold in the United States.
- Optimized digital strategy and user experience design by leveraging the Lean startup method and Google Analytics. Independently learned and coded in HTML, CSS, PHP, and MySQL.

U.S. Securities and Exchange Commission

Washington, DC
Summer 2013

Legal Intern

- Investigated a \$100 million Ponzi scheme and uncovered evidence of securities fraud.
- Identified fraudulent bank transactions and presented the findings to Federal Bureau of Investigation agents, to aid a criminal investigation.

Teach for America

Alum Rock, CA
June 2009 – June 2011

English Teacher

- Selected from 200 teachers to receive the Symantec Innovation in Teaching Award for innovative curriculum planning, teamwork, and exceptional student achievement, including 18 months of reading growth in 4 months of instruction.
